

JULIE LINTON

293 Luther Lane, Martinsburg WV 25403 · 304.676.3889

julia_linton@yahoo.com · [@crnajulie](https://www.instagram.com/crnajulie)

Bio: Julie Linton is a Certified Registered Nurse and business owner in Martinsburg, WV. She is the immediate Past President on the West Virginia Association of Nurse Anesthetists and a former State Peer Advisor for WV. Julie brings a depth of knowledge on the issue of substance use disorder into her practice as a CRNA and her service to her state and national associations as she lectures across the country on the topic. She hopes to bridge the gap between professionals struggling with SUD and their CRNA colleagues – destigmatizing the disease of addiction and making it easier for everyone to seek and maintain recovery.
